## Coventry Shotokan Karate News - Home of Tradition

### Fall Karate at the Coventry Dojo

As the summer comes to a close, we are excited about starting up fall classes again at the dojo. We have had a good group of students training throughout the summer and are looking forward to seeing everyone back at the dojo in September. The fall class schedule is posted below. We are offering a special back-to-school promotion for new students who enroll before October 31st. New students will receive a free student manual along with a new patch.

### Thanks to Sensei J.D. Swanson

Students taking class with Sensei Connor over the summer had the pleasure of training with Sensei J.D. Swanson. Sensei Swanson is an experienced Shotokan instructor from New Zealand who presently serves as the chief instructor for karate clubs at both Salve Regina College in Newport and Brown University in Providence.

Sensei was kind enough to train with us on Thursday nights over the summer and all the students had a great time! We hope to see Sensei Swanson at the dojo in the near future.

### New Dojo Patch

You may have noticed that we have updated our logo on the web site. We have also ordered a supply of new school patches. The new patches will have a different look from our existing black patches. Students with the old patch may continue to wear them, and we will distribute the new patch to any new students joining CSKC.
